CHERRIES mad elf cherries
+ balaton

WE'VE BEEN WANTING TO DO THIS for a while now. Twenty years in just feels right. If you know Tröegs, you know The Mad Elf, the mischievous belle of the holiday beer ball that helped put our little brewery on the map. In your hands is the Director's Cut. Tart Balaton cherries – loads of them – make all the difference. Bottle-conditioned and flush with notes of cinnamon and clove, this beer begs to be shared. Take a bottle home, gather your best friends and cherish the cherries.
