MASTER OF PUMPKINS

ALE

We taste: nutmeg, cinnamon, caramel, vanilla bean

IT TAKES A LONG TIME TO PLANT, raise, pick, slice, clean and roast 3,000 lbs. of local PA pumpkins. But come fall, Master of Pumpkins takes shape and suits the season just so. Subtly spiced with cinnamon, clove, ginger and nutmeg, this is a pumpkin beer that's worth the wait.

Pack Types: 16oz. cans; 1/2 & 1/6 kegs
