HUNTING THE FIELDS during hop harvest, we were stopped in our tracks by the otherworldly lemon notes of a hop called Lemondrop. We just had to build a beer around it. Our Hop Cyclone circulates Lemondrop’s citrusy oils throughout Golden Thing, and dry-hopping with Lemondrop and Centennial leads to juicy layers of fresh lemonade, pinesap and sweet citrus.

Availability: 16oz. cans; 1/6 & 1/2 kegs

Cans:

Single

6/4 Case
