HOPS

CENTENNIAL,
CHINOOK, GALAXY,
EL DORADO

THIS IS BLIZZARD OF HOPS... turned up to 11. For Double Blizzard, we use a cooler temperature for the kettle hop additions, softening the character of the Centennial, Chinook and El Dorado. On the cold side, we dry-hop with four pounds per barrel of Chinook and Galaxy. At 8.3% ABV, we're into semi-hazy Double IPA territory, and we like it here. We taste: huge citrus and pineapple notes and soft pine.
