

FOLD TO TUCK INTO CASE

The image features a central bottle and a can of Tröegs Haze Charmer beer. The bottle is on the left, and the can is on the right. Both are set against a dark green background with white snowflake illustrations. The bottle label and can label both feature the Tröegs logo at the top, followed by 'HAZE CHARMER' in large letters and 'DRY-HOPPED HAZY PALE ALE' below. The can label also includes 'INDEPENDENT BREWING' above the main name. To the right of the bottle, the text 'THE MOST WONDERFUL BEER OF THE YEAR' is written in a stylized, bold font. Two gold-colored ornaments hang from the top, one on the left containing the text 'HAZY, HOPPY AND SESSIONABLE' and one on the right containing 'BIG ON HOP FLAVOR'. A small gold ornament hangs between the two larger ones. The entire scene is decorated with several white snowflake cutouts.
