

DOUBLE PERPETUAL IPA

DOUBLE INDIA PALE ALE

We taste: citrus, pine, tropical fruit

AT TRÖEGS, WE DOVE deeper into the artisanal-meets-mechanical state of IPA. Born out of our small-batch Scratch Series, Double Perpetual explores our love of big, bold West Coast-style ales. Cycling through copious amounts of Cascade, Chinook and Citra hops, this Double Imperial Pale Ale emerges with even stickier notes of citrus, pine and tropical fruit.
