LEAF SEEKER IPA

WEST COAST-STYLE INDIA PALE ALE

We taste: sticky citrus, dank pine, tropical fruit

RAMBLE THROUGH THE seasonal foliage with an all-American IPA. For Leaf Seeker, our brewers' trek to the Pacific Northwest hop fields yielded Citra, Chinook and El Dorado. Back in Hershey, we layer hoppy notes of citrus, dank pine and tropical fruit over a pale malt bill. This west coast-style IPA has just the right amount of bitterness for peak peeping.
