

FOLD TO TUCK INTO CASE

The image features a bottle and a can of Tröegs Troegenator Doublebock Beer. The bottle is dark with a black label that includes the Tröegs logo and a detailed illustration of a bearded man with a red sun behind him. The can is also dark with a similar label. The background is a deep red with several white snowflake illustrations. Two gold-colored Christmas ornaments hang from the top: one on the left with the text "DARK AND CRISP" and one on the right with the text "NO ORDINARY BEER". The overall theme is festive and holiday-oriented.
